NUTECH WELCOMES SPRING WITH A SPECTACULAR GALA OF CULTURE, TALENT, AND CELEBRATION

NUTECH marked the arrival of spring with a vibrant and spirited Spring Gala, celebrating the university's rich culture, student talent, and community unity. The festive event brought together students, faculty, and guests for an unforgettable evening filled with live music, colorful performances, and artistic displays that showcased the creativity and enthusiasm of the NUTECH students. With venues adorned in vibrant spring decor, the gala offered a dynamic platform for students to unwind and express themselves through a diverse lineup of traditional and modern acts.

CBM GERMANY'S VISIT: EMPOWERING THROUGH PARTNERSHIP HEAD OF PROGRAMS EXPLORES COLLABORATION WITH NUTECH

NUTECH had the honor of hosting Mr. Muhammad Asfandiyar Khan, Global Head of Programs for CBM Germany, along with Ms. Fehmeeda, Country Head. The visit marked a significant step towards fostering international partnerships aimed at empowering individuals with disabilities through technical and vocational training. This collaboration underscores a shared commitment to creating accessible, high-quality skill development programs that cater to diverse communities across Pakistan.

UNLOCKING SUCCESS: NUTECH EMPOWERS STUDENTS WITH CAREER DEVELOPMENT SKILLS

NUTECH organized a seminar titled "Career Ready: Mastering Interviews, Communication & Soft Skills" to empower students with key competencies for professional success. Led by Prof. Tabinda Malik, a distinguished Global Strategic Communications Leader, the session offered valuable insights into effective communication, interview techniques, and the vital role of soft skills in today's competitive job market. The seminar provided students with practical strategies to enhance their verbal and written communication, boosting their confidence as they prepare to enter the workforce.

NUTECH CELEBRATES EID MILAN WITH TOGETHERNESS

NUTECH organized a delightful Eid Milan Party, bringing together its dedicated female staff for an evening of festivity and connection. The event was filled with laughter, warm conversations, and a strong sense of unity. The event served as a heartfelt celebration of the contributions and spirit of the women of NUTECH.

PAK-KAZAKH EDUCATIONAL FAIR AND VICE CHANCELLORS SUMMIT, A STEP TOWARD GLOBAL ACADEMIC EXCELLENCE

In order to promote educational ties between Pakistan and Kazakhstan, a high-level delegation of Kazakhstan comprising 25 Rectors and high officials of Kazakhstan universities visited NUTECH. Chairman HEC, Dr. Mukhtar Ahmed, graced the occasion as a chief guest. Delivering the welcome address, he emphasized the need to create strong educational bridges between Pakistan and Kazakhstan and encouraged the students to avail themselves of international education opportunities for collective development and understanding.

FUTURE LEADERS FROM APS EXPLORE NUTECH'S ACADEMIC EXCELLENCE

A delegation of 92 students and 9 faculty members from APS SCO Misrial Road, Rawalpindi, visited NUTECH. The visit was organized as part of NUTECH's Admission Awareness Campaign. Students were given a comprehensive tour of the university's state-of-the-art facilities, and academic programs. Interactive sessions allowed students to engage with faculty and current students.

DAAD DIRECTOR VISITS NUTECH TO FOSTER GLOBAL ACADEMIC PARTNERSHIPS

The Director of the DAAD Information Centre recently paid a distinguished visit to NUTECH, marking a significant step towards strengthening academic collaboration and international partnerships. This visit provided an invaluable opportunity for both institutions to explore avenues for student exchange, research cooperation, and knowledge sharing. The engagement underscores NUTECH's commitment to enhancing global connections and educational opportunities for its students and faculty through partnerships with leading international organizations like DAAD.

FROM CAMPUS TO GLOBAL COMMERCE: NUTECH OPENS THE GATEWAY TO GLOBAL E-BUSINESS

The opening ceremony for the e-commerce course at NUTECH was a significant event, attended by key figures including representatives from the Chinese Embassy, the University of International Business and Economics (UNIB), and the Information Technology Management Council (ITMC). This collaborative initiative aims to equip students with essential skills in the rapidly evolving e-commerce landscape. The ceremony highlighted the importance of international partnerships in enhancing educational offerings and fostering innovation.
