Dear Waqas,

Thank you for your efforts and the work you have carried out as discussed between myself and Dr. Kapal. After your successful primary evaluation, I am very pleased to inform you that you have been officially selected as an ICM Fellow to work with us at MTU Ireland for a fully funded "6-month fellowship"

"Congratulations on your official selection!"

Dr. Kapal is now proceeding with the necessary documentation to be issued from MTU, which will enable you to apply for your visa. Once your visa is issued, the remaining formalities will be completed accordingly.

In the meantime, as you will soon be working with Dr. Kapal at MTU, it is advised that you continue working on the assigned tasks to achieve some initial milestones in parallel with your preparations for joining MTU.

On behalf of "MTU Ireland and NUTECH Pakistan" I once again extend my heartfelt congratulations. We are confident that you will prove to be a valuable asset and contribute towards strengthening fruitful collaborations between both countries.

With best wishes,
Dr. Marium
