

National Voters' Day

National Voters' Day was celebrated at NUTECH on 7 Dec 2018. The sole purpose of this event was to promote the culture of voting among youth and to tell them that they can change Pakistan through their vote. For this purpose, different events were organized to create awareness amongst students about the power of their vote. These events included speeches by students, presentation on election history of Pakistan and the importance of youth participation in electoral process. Dean Student Life, respective HoDs and the faculty members also shared their views with the students.

Anti-Corruption Day

International Anti-Corruption Day is observed on 9 December every year across the globe to signify the day when United Nations Convention against corruption (UNCAC) was first opened for signing in Mexico in 2003. Anti-Corruption campaign was organized in NUTECH to create awareness amongst students about corruption and its impact on the society under Dean of Student Life office. In this regard, various activities were arranged on 11 December 2018 during Students' Seminar, which included a group presentation by a panel of students on the importance of anti-corruption, speeches, group discussions, and posters. Students were enthusiastic about the event and their high spirits were indicative of their resolve to fight against corruption, thus playing their active role in creating a better society for future generations.

Our Mission

To produce creative and technically sound engineering technologists augmented by well trained technical workforce; and knowledge creation in a vibrant, innovative & entrepreneurial environment, through modern academic systems and best learning practices, research collaborations and strengthened academia-industrial linkages so as to grow knowledge economy.

Engineer Khalid Asghar

Rector National University of Technology

Visit-Military Secretary & Inspector General Training & Evaluation

Rector's Address to Faculty

Rector National University of Technology addressing the Faculty

Orientation Visit

The first official event after the selection of candidates was the Orientation Day, held on 29 September 2018. The Registrar of the university welcomed the students of the 1st Batch. He said that NUTECH is the first ever technology-driven university in Pakistan. He further dilated on the rationale, aims and objectives of this university. The selected students had a detailed round of the facilities, available at the university at the end of the orientation session.

Welcome & Tree Plantation

A welcome party-cum-plantation drive was held on 11 October 2018. The event started with the address of worthy Rector in which he reiterated the significance of plantation. Later, students along with the faculty members and administrative staff planted trees with their nametags hanging on the trees to show their ownership. After plantation, students were served with lunch in the University cafeteria.

Hiking Expedition

NUTECH planned a thrilling Hiking Trip to Trail-5 Margalla Hills, Islamabad for its students on 9 December 2018. The hiking expedition was not merely a recreational activity; rather it was more of a noble cause. The students linked it with the social service by cleaning the trash/litter on the track and adequately disposing it off at the end of the trip. It was primarily a symbolic gesture to educate people not to pollute natural environment that can put natural habitat of wildlife at risk.

Eid Milad-Un-Nabi (PBUH)

Eid Milad-Un-Nabi (PBUH) was celebrated at National University of Technology (NUTECH) on 21 October 2018 to commemorate the holy birth of

Hazrat Muhammad (PBUH). Rector NUTECH graced the occasion as Chief Guest. Students of different departments participated in various activities which included *Naat*, Seerat Quiz Competition and English and Urdu speeches, followed by the prize distribution ceremony.

Mr. Wille Eerloa-Chairman Finland-Pakistan Business Council

Mr. Wille Eerloa, Chairman Finland Pakistan Business Council visited NUTECH on 8 December 2018 to discuss future prospects and mutual collaboration in the field of education. The worthy guest visited Berlitz English classes and different labs. On his arrival, Mr. Wille had one to one meeting with the Rector Engineer Khalid Asghar in his office.

University of Utah at NUTECH

A delegation from University of Utah, USA visited NUTECH on 18 December

2018. This visit was continuation of efforts to achieve global research partnerships with strategic partners like UU. During the visit, the delegation participated in detailed briefings and discussions to identify the areas of cooperation. The worthy guests discussed plan of action for future collaboration in various areas including faculty/student training at UU, elective teaching and mentoring, curriculum development and reforms, designing training modules, research program development and management.

Visit-President Azad Jammu & Kashmir

Research President Azad Jammu & Kashmir Sardar Masood Khan visited NUTECH on 27 December 2018. His Excellency visited NUTECH Academic Block and Labs. He also addressed the students, faculty and support staff.
