

representatives of industry and business including FPCCI, KCCI, LCCI, ICCI, KATI, S.I.T.E, NKATI, LATI, BOATI, FBATI, S.I.T.E Superhighway, PPMA, PHMA, PAKSEA, PPMA, TMA, PAAPAM, PASHA, APMIA, SIMAP and ABAD were also present who expressed their views and presented various suggestions to improve relationship between academia and industry. The symposium initiated to build a cooperative relationship between NUTECH and industry. The objective of this symposium was to prepare Pakistan's industry for 4th Industrial Revolution. Furthermore, NUTECH Policy Cell has been established which will support the industry by formulating future policies for the industry.

appreciated student's projects and encouraged them to bring more unique and innovative ideas in future projects. At the end, Rector distributed the prizes among students with best projects.

INDUSTRIAL CREATIVE ACTIVITY TERM (ICAT) 2020

NUTECH's Second Industrial Creative Activity Term (ICAT) week planned during semester break was completed on 21 February 2020. It was a four-week activity in which students were encouraged to do independent projects under the supervision of faculty. All participants including faculty were free to introduce innovative educational experiments as ICAT activities with the aim of sharing a particular talent, expertise or interest with others at the university. The NUTECH administration provided all possible support in terms of material, technical, intellectual and financial requisites to their students. All projects were displayed in classrooms after completion. Rector NUTECH Lt Gen (Retd) Khalid Asghar and Pro-Rector Major Gen Khalid Javed visited those stalls and interacted with the students. At the closing ceremony, Rector Lt Gen (Retd) Khalid Asghar applauded the effort of students in accomplishing such wonderful achievements within four weeks of ICAT. He

SOLIDARITY WITH KASHMIR OBSERVED ON NUTECH DAY

NUTECH day was celebrated on 26 February 2020 with the central theme of displaying solidarity with Kashmir. The day marked an endeavor of creating awareness amongst students about the freedom struggle of Kashmiri people against the illegal Indian occupation. The event commenced with the recitation of Holy Quran followed by English and Urdu speeches, patriotic songs, tableau and documentaries. Lt Gen (Retd) Khalid Asghar graced the occasion as a chief guest. He distributed shields among the organizers of different students' societies. At this occasion, Rector NUTECH congratulated NUTECH students, faculty and staff for the success of the event and emphasized to continue these efforts in future to reach new heights of success. NUTECH faculty, staff and students also formed solidarity chain to show support and unity with the people of Indian-occupied Kashmir, and paid homage to Kashmiri martyrs who lost their lives fighting for Kashmir's freedom.

NATIONAL UNIVERSITY OF TECHNOLOGY

LEADING TO PROGRESS AND EXCELLENCE

VOLUME-2, ISSUE-1, 2020

NUTECH BOOK EXHIBITION

NUTECH organized its third book exhibition from 28 – 29 Jan 2020 at the academic block of the campus. Recently published books relevant to engineering subjects such as Civil, Mechanical, Electrical, Information Technology, Computer Science, Bio-Medical, Artificial Intelligence and Railway Engineering were displayed. Book fairs provide students an opportunity to select books of their interest from a wide range.

PALERMO UNIVERSITY DELEGATION VISITS NUTECH

Three member delegation from University of Palermo, Italy visited NUTECH on 30 Jan 2020 to find the possibilities of creating an effective collaboration between Palermo University and NUTECH. Furthermore, different projects for future collaboration were also discussed such as exchange programs, trainings, workshops, seminars, symposiums and research development projects. The delegation also signed an MOU with NUTECH.

TAFE AUSTRALIA VISITS TO NUTECH

TAFE Australia representative Mr. Alan Maguire of Chisholm Institute, visited NUTECH on 3rd February 2020. The purpose of collaboration with TAFE Australia is to make skill education program more effective. Moreover, the visit also aimed to strengthen the alliance between NUTECH and TAFE.

ICAT PERSONALITY DEVELOPMENT WORKSHOP 2020

ICAT Personality Development workshop (IPDW) was held at NUTECH from 3rd – 7th February 2020. This workshop is a part of NUTECH Personality Development Program (NPDP) for freshmen which focuses on implementation and formulation of NUTECH Code of Conduct.

NUTECH SPORTS GALA 2020

Sports are an essential part of campus life at NUTECH as they make a significant contribution to the all-round harmonious development of students. NUTECH arranged its first sports gala at NUTECH sports complex from 11-14 February 2020. Four-day long sports gala was aimed to let the students discover their strengths through sports and learn important life skills such as team-work and sportsmen spirit. This sports gala will also serve as a nursery for players to develop their sports skills for national and international level sports. The gala was organized under the supervision of NUTECH sports

department. Different sports including football, basketball, volleyball, cricket, badminton and table tennis were made part of the gala. Overall, the NUTECH's Civil Department won the majority of games and the final trophy of sports gala. Rector NUTECH Lt Gen (Retd) Khalid Asghar graced the event as chief guest.

NUTECH-OBA-PSTC-INDUSTRY JOINT COLLABORATION SYMPOSIUM (NOIJCS)

National University of Technology (NUTECH) organized a day-long "NUTECH-Pak Swiss Old Boys Association (OBA)-Pak Industry Joint Collaboration Symposium" on 18 February 2020, which aimed to bridge the gap between academia and industry. Federal Minister for Science and Technology Chaudhry Fawad Hussain, Engineer in Chief Lt Gen Moazzam Ejaz, Chief of Logistics Staff Lt Gen Azhar Saleh Abbasi and other worthy guests from Industry and Corporate Sector were received by the Rector of the University Lieutenant General Khalid Asghar (Retired). At the occasion, Senior Leadership and
