Brief Explanation of the Activity:

The Office of Student Affairs at NUTECH organized an informative lecture on drug & tobacco policy/ basic hygiene aimed at educating students on the harmful effects of drug and tobacco use, as well as to outline the strict penalties associated with their consumption on campus. The session was led by the Director of Student Affairs, who emphasized the university's commitment to maintaining a drug-free environment in alignment with institutional policies. Following this, Dr. Sadia provided a comprehensive overview of basic hygiene practices, offering valuable insights and practical tips to help students maintain their personal well-being. These initiatives align with the United Nations Sustainable Development Goal (SDG) 3 & 4, which promotes good health and well-being & quality education, reflecting NUTECH's dedication to fostering a healthy and responsible student community.
