

SECTION NOTE
ADMINISTRATION DIRECTORATE – NUTECH

Subject: Actions/Measures Adopted as per SDGs–NUTECH

1. Following actions/measures have been adopted as per SDG 3,6, 11, 13, 14, 15, 16, 17
 - a. Water Consumption. NUTECH is collecting 30,92,133-gallon clean water through 2341 x water bowsers per year on cash payment from Govt and Private water hydrants.
 - b. Reuse of water. Moreover, 108,000 gallon RO Plant waste water stored in underground water tank (10 x 10 x 6 feet approximate storing capacity 4500 gallon) is reused on sprinkling green fields and plants that require less water to survive like Pilkon, Bismarkia Palm, Chinaar, cheerh .
 - c. Garbage Disposal. In order to maintain cleanliness, waste material (papers/rappers/packing material, plastic bottles) is collected in dustbins (capacity of each bin is 8 to 10 kg) that are placed at every floor. Every day almost 50 kg garbage / waste (18 Ton Yearly) is transported to garbage landfill dumping point of CDA.
2. Economy Measures on Conservation. Policy It/instructions for conservation of resources like electricity, water, fuel communicated to all offices is att at F/A
3. Forwarded for nec action as desired, please.
