

MEMORANDUM OF UNDERSTANDING (MoU)

concerning

Academic Cooperation

between

National University of Technology (NUTECH), Islamabad, Pakistan

and

Sarajevo School of Science and Technology (SSST), Sarajevo, Bosnia & Herzegovina

In the spirit of scholarly exchange, National University of Technology (NUTECH) and Sarajevo School of Science and Technology (SSST) agree upon the following principles to develop academic exchange and cooperation in the domains of higher education, skills development & research between the two institutions.

1. National University of Technology (NUTECH) and Sarajevo School of Science and Technology (SSST) based on respect for each other's independence and mutual benefit, will promote the following activities:

- a. Collaboration in research development and other scholarly activities including joint industry projects and products,
- b. Collaboration to develop technologies related to Information & Communication technology, Biomedical technology, Nanotechnology, Industrial Automation and other domains of Industry 4.0 etc.,
- c. Collaboration for development of requisite human resource in domains of mutual interest,
- d. Exchange of professors and research scholars for capacity building,
- e. Development of laboratories, libraries and academic programs at NUTECH,
- f. Exchange of students and graduates for learning abroad including facilitation in industry placements,
- g. Planning and conduct of symposia, workshops and seminars, expos etc.,
- h. Facilitate each other's visits, tours etc.

2. Implementation of the above points will be determined through joint discussions and consultation between the two institutions. If appropriate and required, additional agreements may be entered into by the institutions.

3. This MoU is valid for a period of five years from the last signature date below. Any renewal and/ or amendment of this MoU shall be determined through joint discussions of both institutions and memorialized in a writing signed by both institutions. Either institution may terminate this MoU by providing not less than six months' written notice to the other institution.
