

Title of Activity: Intelligence Bureau Delegation visited NUTECH

Venue: NUTECH RSL/ Respective Sites

Mode: Physical

Date: June 15, 2023

Duration: 1100 to 1600hrs

Brief Explanation of the Activity:

The Intelligence Bureau delegation, headed by Joint Director General Shafqat Malik, recently visited NUTECH (National University of Technology). The visit likely aimed to foster collaboration between intelligence agencies and educational institutions, focusing on research and development in technology, security, and related fields. Such partnerships can enhance national security capabilities and promote innovation in various sectors. Partnership can be comprised of following areas:

- Collaborative Research Projects:
- Placement & Internships
- Mutual Exchange Programs
- To explore collaborative activities with NORIC
