SECTION NOTE

(ADMISSION DIRECTORATE - NUTECH)

Subject: **Student Access Measures - Women's application in underrepresented subjects.**

- 1- During Admission Awareness & Outreach Campaign 2023, the Female Pre-medical Students of the visiting/visited Colleges were encouraged to get admitted to computing programs in BS levels as their best choice if they for any reason, could not make it to the medical colleges / universities.
- 2- NUTECH Outreach Team provided counselling to students encouraging them to opt Computer Program as their plan B. Resultantly , 30 female students got admission during Batch Fall 2023 at NUTECH.
