

SECTION NOTE
ADMINISTRATION DIRECTORATE – NUTECH

Subject: **Drought Tolerant Plants –NUTECH**

1. it is informed that, as per NUTECH water conservation/RE use policy, ADM DTE is continuously implementing measures by plantation of drought tolerant plants like Aster, Black eyed Susan, Pilkhan , Jacaranda, cassia nodosa etc to ensure water conservation. Moreover, rain/ washbasin water is collected in underground tank at back side of academic block which is reused for sprinkling on grass and plants.

2. Forwarded for information please.
