

**SECTION NOTE**  
**(Registrar Office)**

**Subject: Students of Batch Fall 2022 belonging bottom household income group**

1. A total of 224 students got admission at NUTECH in year 2022. After conducting the survey alongwith mapping of their household credentials with Strategic Development Goals (SDGs), an output was extracted in which 10 students out of 224 belong to low income group in Pakistan. NUTECH has the target that all students of Batch Fall 2022 successfully graduate after completing their degree requirements in year 2026.
2. Forwarded for information / further necessary action, please.
