

# NUTECH Technical Internship Training Program TITP, JAPAN

Through Technical Intern Training Program (TITP). Govt of Japan is accepting young workers from developing countries, as interns in a number of industries in Japan. The intent is the transfer of modern industrial skills to developing countries through structured internship program. TITP interns shall be governed under Japanese labour laws, with equivalent pay and privileges as Japanese workers. Pakistan shall benefit from this intitative as our workers shall get best technical training alongwith foreign exchange remittances to Pakistan. NUTECH has been nominated by GoP as an approved "Sending Organization" for TITP Japan.
